

When I See You Smile

John Waite

Sometimes I wonder
How I'd ever make it through
Through this world without having you
I just wouldn't have a clue'Cause sometimes it seems like
 This world is closing in on me
 There's no way of breaking free
And then I see you reach for meSometimes I wanna give up, I wanna give in
 But after everything is said and done
You're my reason for livingWhen I see you smile, I can face the world
 Oh yeah, I can do anything, yeah
 When I see you smile, oh yeah, baby
 Oh oh, I can do anythingWhen I see you smile
Baby, when I see you smile at me, yeah, yeahBaby, there's nothing
 In this world that could ever do
 What the touch of your hands can do
It's like nothing that I ever knew beforeAnd when the rain is falling, I don't feel it
 'Cause you're here with me now
 Yeah, one look at you, baby, that's all I'll ever need
You're all I'll ever needWhen I see you smile, I can face the world
 Oh yeah, I can do anything
 When I see you smile, oh yeah
 Oh, oh, I can do anythingWhen I see you smile
Baby, when I see you smile at me, I saidSometimes I wanna give up and give in
 And quit this fight and then I see you
Everything, everything is alright, yeah, babyWhen I see you smile, I can face the world
 Oh, oh, I can do anything, yeah, yeah
 When I see you smile, oh yeah, baby
 Oh, oh, I can do anythingWhen I see you smile, yeah, darlin'
 Oh, oh, I can do anything
 When I see you smile, baby
Baby, when I see you smile at meOh yeah, everyday of my life
 Oh yeah, smile at me, yeah
