

# B-side Baby

[Adam Ant](#)

My baby says I mistreat her, I don't know about that  
I only know when I beat her, she like to call me aShe keeps on playing those B-Side records  
All day long in the flat, "They're a little bit obscure"  
She says, I call her aB-Side baby and that's that  
She's just a B-Side baby and that's a factI think punk is an overused word, as a matter of fact  
I hate Joey Ramone when he says, he's gonna beat on a  
He's going to find himself down an alley with his face beaten flat  
And a spray job in bright pink letters, saying B R A T spellsB-Side baby
