

Error: Operator (Album Version)

Taking Back Sunday

Well there's been an accident (calm down)
There's been an accident, breathe
In then out calm down (in and out calm down)
Breathe in and out calm down (in and out calm)We can't go back
Can't go back
Can't go back, we can't
We can't go back
Can't go back
Can't go back, we can't(Breathe in and out calm down)But would you do it again, again
And count backwards from ten
(Look I don't make those mistakes no more)
Because sometimes I swear I can see straight through you
Just concentrate, control.
But would you do it again, againWe can't go back
Can't go back
Can't go back, we can't
We can't go back
Can't go back
Can't go back, we can'tWe can't go back
Can't go back
Can't go back, we can't
We can't go back
Can't go backMurder oh murder, oh where have you been? [Repeat: x4]We can't go back
Can't go back
Can't go back, we can't
We can't go back
Can't go back
Can't go back, we can't
We can't go back
Can't go back
Can't go back, we can't(Feels like anything anything, anything anything)
We can't go back
