

Love Her

The Redwalls

Well, I've, I've had my hands tied tight behind my head
And she, she sang me a song then took me off to bed
And when I said to her tomorrow girl, I just can't stay
But don't be sad, now my darlin', I'll be back some day I guess love has taken it's toll, well, oh, no, well, alright
Two more steps and I'm on my way, well, okay, alright Oh, I love her, yes, I do, oh, I love her and it's true
Oh, and when I sing this song, you know I've been moving on
But it's true, I want you, oh hey, hey Oh, hey, hey, hey
Oh, hey, hey, hey
Oh, no, no, no Well, she, she told me a story how we won this war
And I, I got another drink and I layed down on her floor
And when I said to her, "Don't you bother when we're apart"
And don't be sad now my darlin', I won't break your heart Well, I think I'm leavin' today, well, okay, well,
alright
Two more steps and I'm on my way, well, okay alright Oh, I love her, yes, I do, oh, I love her and it's true
Oh, and when I sing this song, you know I've been moving on
But it's you, I love you, oh hey, hoo Oh, hey, hey, hey
Oh, hey, hey, hey
Oh, hey, hey, hey, hey
