

# We Live

## Electric Wizard

Fist cracks the earth  
Coffin womb for rebirth  
Betrayed by the living  
They soon shall be giving We live, not dead  
We live, we kill Can't fucking die  
Can't fucking win  
Got something to prove  
Got nothing to lose We live, not dead  
We live, we kill You hoped I was dead  
But I'm born again  
I shall be avenged  
Cold blooded revenge
