

Can't Let That Slide

Kurupt

This goes out to all y'all tellin' my bitch, what you saw
Hell naw, I can't let that slide
Thinkin' I won't check, shit or these mouths on records
Hell naw, I can't let that slide
Talkin' shit on T.V. but bitch up, when you see me, nigga
Hell naw, I can't let that slide
Well, uh, uh, uh
(Say what?)
Uh, uh
(Say what?)
Hell naw, I can't let that slide
Early mornin' I just awoke
Just took a sip and just took a smoke
The phone rang, niggas spittin' game
The same ol', same ol', same ol' thang
Talkin' 'bout life, talkin' 'bout bitches
Talkin' 'bout money, cars and switches
And all of a sudden, he switched talkin' about some, kill shit
'Bout this bitch ass nigga talkin' some real shit
This goes out to all y'all tellin' my bitch what you saw
Hell naw, I can't let that slide
Thinkin' I won't check shit or these mouths on records
Hell naw, I can't let that slide
Talkin' shit on T.V. but bitch up, when you see me, nigga
Hell naw, I can't let that side
Well, uh uh, uh, well, uh uh, uh
(Say what?)
No way
(Say what?)
Uh, uh

Hell naw, I can't let that slide
You know I'm chip-toothed, motherfucker
You about to get slapped
Like a motherfuckin' bitch for that
(Say what?!)
You got a lot of rap, homie, not to know a nigga
Don't talk a nigga, show a nigga
Don't think it nigga, live it, nigga

Don't run it, nigga, gun it, nigga
(Man, fuck that!)
Don't fake niggas, quake niggas
I ain't no bitch nigga
(I ain't none)
So don't play me like a bitch, nigga
You lil' bitch nigga, change the switch, nigga
Wanna get rich, nigga?
(Nigga!)
Fuck and make a motherfuckin' nigga, dick itch, nigga
Why you mad at me?
(Why you mad, homie?)
Walk without, talkin' 'bout what you talkin' 'bout
You must be that Madd Rapper

And shut the fuck up, nigga, you lil' bitch
Bitch, I hear you talkin' but you ain't sayin shit!
Now this goes out to all y'all
(All y'all)

Uh, uh
If you gonna rob with us, nigga, rob
If you gonna mash with us, nigga, mash

Instead, we be dumpin' on cowards and bonin' out with the cash
So when a nigga, run up on you in a blue ski mask
(Run nigga, run)
'Cause I come
(Hey!)
Murda' yo, drawin' skits
It's like bustin' a orange, you get terminated
Our rhymes is exquisite, explicit and 'R' rated
You askin' why I'm laughing, 'cause it's kinda funny to me
You really think you gonna come and take my money from me?
Well, I can't let that slide
I'm fittin' to trip, pop my old english and get into some gangsta, shh
What's my name? Roscoe, Roscoe!
My big brah, Kurupt, Kurupt!
And what we do, we rob, we rob!
And can't let that slide, that slide
Nigga, what? What? What?
We raw doggs, cuz
This goes out to all y'all tellin'
(Nigga!)
My bitch, what you saw
Hell naw, I can't let that slide
Thinkin' I won't check shit
(Eye, yo, Cuz)
Mouths on records
Hell naw, I can't let that slide
Talkin' shit on T.V., bitch up, when you see me
Bitch nigga, I can't let that slide
Uh, uh
(Say what?, No way, say what?)
Hell naw, I can't let that slide
This goes out to all y'all tellin' my bitch what you saw
Hell naw I, can't let that slide
Thinkin' I won't check shit
(What?)
Mouths on records
Hell naw, I can't let that slide
Talkin' shit on T.V. but bitch up when you see me, nigga
Bitch nigga, I can't let that slide
But no way, uh, uh
(Say what?)
Hell naw, I can't let that slide
But no way
