

You Don't Have to Be Alone

The Mercurymen

Don't cry,
Don't even shed a tear,
close your eyes,
lay with me right here,
I'm by your side it's alright,
and tomorrow the sun will rise,
and the light of a new day will fill the sky,
you don't have to be alone.... tonight,
you don't have to be alone.... tonight,

It's late,
mornings drawing near,
Come.... let darkness disappear,
I'm by your side it's alright,
Tomorrow the sun will rise,
and the light of a new day will fill the sky,
you don't have to be alone....
tonight,
you don't have to be alone,

Ohhhhh ohhhhh ohhhhhh

tomorrow the sun will rise,
and the light of a new day will fill the sky,

you don't have to be alone.... tonight,
you don't have to be alone,

you don't have to be alone....
Ohhhhhhhh tonight.
