

Out This Bitch (feat. Kirko Bangz)

Tyga

[Hook: Kirko Bangz:]

She say I'm trynna make this work, you're doin' it again

Fuck this shit, I'm out this bitch

Say I'm out this bitch (I'm out this bitch)

Say I'm out this bitch (I'm out this bitch)

Say I'm out this bitch (I'm out this bitch)

She tell me

"you could have that bitch, you ain't bout shit, fuck this shit, I'm out this bitch"

She like "fuck that shit"

She got me like "fuck that bitch!"

Say I'm out this bitch...

[Verse 1: Tyga:]

Same old nigga, make a stack in a day

She the same since high school, back in the day

Cute face, thick thighs with the lil' bitty waist

Since she just finished school, now she work in the back

Now I'm all in the bank, all in the bank

Probably with some niggas that be robbin' the bank

Robbin' the bank, now it's all in the paper

And she told me all about said "I wanna see you later"

But I'm in too deep...

She said she had a nigga but the nigga weak

Said I had a bitch but she told me she too mean

Man I really wanna see you, call me when the nigga leave

You know I'll be right back over

Spend a night over

Mixin' in ya cup, she don't like being sober

In love with her man, so she said it's gettin' late

Can't stay, Now we right back arguing

(Hook)

(Verse 2: Tyga:)

Now I'm right back in the same position

With the same bitch that I said I was quittin'

A minute ago, my control over these hoes

Dealing with emotions I don't wanna show

It's like one or two flaws

Dont wanna be involved with her at all

Tired of waiting, I'm gettin' impatient

Cheating lately with her best friend

And the head game crazy
Single now, livin' life, wildin' on the daily
Ain't got time for no sorry, I just bought a Ferrari
Cost me 280, now these bitches wanna call me by my real name
Baby, ain't got time for now motherfuckin' questions
To my exes, hope you learned your lesson
While you out stressin', I'm somewhere out sexin'
On to the next one, onto the next thing
No you ain't trippin (No you ain't trippin'...)
All on the TV, now she tryna text me
[Hook]
Say I'm out this bitch...
Say I'm out this bitch...
We-we-well done
