What Baby Wants

Alice Cooper

She' gonna come for you
And you can try to run and hide
No matter what you do
She' gonna take you deep insideYou're thinkin' (ooh-ooh)
This could be a dream come true
But you don't really understand
She feeds on flesh and blood and boys like you
She' gonna make you be a manShe'll take your bleeding heart and your soul, no regretsCause what baby wants,
(what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)
What baby wants, (what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)I got a pretty face,
Yeah, but I've seen what's hiding underneath
You like my pretty mouth?
But you got razor blades instead of teeth
And now we're (too, too) too, too late for you,
Oh yeah? tell me what you're gonna do
I'm gonna drain your veins, and bathe in your bloodHoney, I've seen worse than you
I'll make you sit, beg, roll over, play dead
Ain't gonna be your little pet
Oh really?What baby wants, (what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)
Yeah what baby wants, (what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)Baby tells lies, baby looks you in the eyes
It's her aphrodisiac when she stabs you in the backShe comes on like a saint
But that's exactly what she ain't
Not a demsel in distress
She's the devil in a dressShe's gonna stay with you
She's gonna play with you
That's one thing you can betCause what baby wants, (what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)
Yeah, what baby wants, (what baby wants, wants, wants)
Baby gets (she gonna, gonna, gonna get, get)I'll make you sit, beg, roll over, play dead
I'm gonna be your little petCause what baby wants, (what baby wants, wants, wants)
Baby gets, (she gonna, gonna, gonna get, get)
Yeah What baby wants, (what baby wants, wants, wants)
Baby gets (she gonna, gonna, gonna get, get)What Baby wants, Baby gets.
