Bartender

(Hed) P. E.

And if I die
before my time
oh brother of mine
please don't forgive me if i die
and if i go
before i'm gone
oh sister of mine
please don't regret me if i go
Storms she come
and storms she go
please give me the wine
that Jesus drunk
to get him up the hill
Bartender please
pour me the wine
that you gave to Christ
to make him rise above
oh Bartender...
And then that means I fall
Bartender please....
And that means I pray
Bartender please....
And if I pray

those hearts are young
give me a second chance to fix it up
if I pray I break
And if I crush
my children's hears
please give me the strength
to fix them, Lord
if I crush
Bartender please
pour me a drink
the one you gave Christ
so that he might get up again
to live
Bartender please
pour me the wine

that you gave to Christ
get him out of the grave
please Bartender, wine...
On bended knees I pray
Bartender please....
Bartender please
on bended knees
God please....
