

# Longing For

## Jah Cure

Yea you know  
Only you, only you Only you can make me feel  
Just like a king  
Love you give to me so real  
Makes me give in Girl, just like magnet to steel  
Your love keeps pulling me in  
If it's a battle I'll fight for you  
I have to win To prove to you my love  
Is so deep within  
It's even getting deeper  
Since I reach prison Longing for  
My baby to love me more  
What am I longing for?  
Babylon release the Cure What am I longing for?  
My baby to love me more  
What am I longing for?  
Babylon release the Cure When, when, when, when  
Can we see each other again?  
When, when, when, when  
Can we see each other again? I know there's someone must be there comforting you  
Whenever you need a friend  
I'll make you mine, give me some time  
I'll surely make you mine It may be long now forever  
I vow to get myself together  
I love you baby, always on my mind  
No matter the time What am I longing for?  
My baby to love me more  
What am I longing, longing, longing? What am I longing for?  
My baby to love me more  
What am I longing for?  
Babylon release the Cure Only you can make me feel  
Just like a king  
Love you give to me so real  
Makes me give in Girl, just like magnet to steel  
Your love keeps pulling me in  
If it's a battle I'll fight for you  
Surely win To prove to you my love  
Is so deep within  
It's even getting deeper

Ever since What am I longing for?  
My baby to love me more  
What am I longing for?  
Babylon release the Cure What am I longing for?  
What am I longing for?
