

Repeat (Stars and Stripes)

Manic Street Preachers

I've seen this happen before
This is a message from occupied England
British adults expect a nuclear war in our lifetime
From earliest human existence there proved to be
Two fundamental ways of thinking Repeat after me
Fuck queen and country
Repeat after me
Death sentence heritage
Repeat after me
Death camp palace Useless generations
Dumb flag scum
Useless generations
Dumb flag scum Repeat after me
Fuck queen and country
Repeat after me
Royal Khymer Rouge
Repeat after me
Imitation demi-gods Useless generations
Dumb flag scum
Useless generations
Dumb flag scum I've seen this happen before
A force of sensationalism, a force of sensationalism
From earliest human existence there proved to be
Two fundamental ways of thinking
What happens to the brains? What happens?
British adults expect a nuclear war in our lifetime Useless generations
Dumb flag scum
Useless generations
Dumb flag scum Repeat after me
Fuck queen and country
Repeat after me
Royal Khymer Rouge
Repeat after me
Imitation demi-gods Useless generations
Dumb flag scum
Useless generations
Dumb flag scum Useless generations
Dumb flag scum
Useless generations

Dumb flag scum
British adults expect a nuclear war in our lifetime
British adults expect a nuclear war in our lifetime
