To Whom It May Concern

Natalie Cole

To whom it may concern
You?ve found another love, I know
To whom it may concern
My heart won?t ever let you go
You tore my heart apart
When you found somebody new
But you found out that your heart
Could be broken, too
So, to whom it may concern
You?ve learned that heartache has no pride
Pretending unconcerned won?t stop those tears

You try to hide
And when you?re all alone
With just a memory
That?s when I?ll bet you?ll learn
The one who?s most concerned is me
And when you?re all alone
With just a memory
That?s when I?ll bet you?ll learn
The one who?s most concerned is me
