

Lord You Are Good

Todd Galberth

Lord you are good
You've been so good
Lord you are good
You've been better than good
I can't praise enough
I owe you my life
Can't praise you enough
Even If I tried
Cos you've been... so good... to meeeee
Modulate
Lord you are good
You've been so good
Lord you are good
You've been better than good
I can't praise enough
I owe you my life
Can't praise you enough
Even If I tried
Cos you've been... so good... to meeeeeModulate
Lord you are good
You've been so good
Lord you are good
You've been better than good
I can't praise enough
I owe you my life
Can't praise you enough
Even If I tried
Cos you've been... so good... to meeeee
Modulate
Lord you are good
You've been so good
Lord you are good
You've been better than good
I can't praise enough
I owe you my life
Can't praise you enough
Even If I tried
Cos you've been... so good...
You've been... so good...

You've been... so good... to meeeeeSo many doors you've opened
So many ways you've made
So many times you've healed meSo many doors you've opened
So many ways you've made
So many times you've healed me
You've been better than good to meSo many doors you've opened
So many ways you've made
So many times you've healed me
You've been better than good to meSo many doors you've opened
So many ways you've made
So many times you've healed me
You've been better than good to meYou've been better than good to meYou've been so good (repeat)
I can never repay you Lord
For what you've done for me
How you loose my shackles
How you set me free
How you made a way
Where there was no way to be made X3
Time and darkness in the day
You've been
