

# Montage

## Freetempo

The hours approaching, just give it your best  
And you've got to reach your prime  
That's when you need to put yourself to the test  
And show us a passage of time We're gonna need a montage  
(Montage)  
Ooh it takes a montage  
(Montage) Show a lot of things happening at once  
Remind everyone of what's going on  
(What's going on?)  
And with every shot you show a little improvement  
To show it all would take too long That's called a montage  
(Montage)  
Oh we want montage  
(Montage) And anything that we want to go  
From just a beginner to a pro  
You need a montage  
(Montage)  
Even Rocky had a montage  
(Montage) Montage  
Montage Anything that we want to go  
From just a beginner to a pro  
You need a montage  
(Montage)  
Ooh it takes a montage  
(Montage) Always fade out in a montage  
If you fade out, it seems like more time  
Has passed in a montage  
Montage
