

139 / Dead of Night

Leeland

139

If I ascend into the Heavens You're there
If I make my bed in Sheol You're with me
If I arise on the wings of the dawn
If I sink in the sea there Your hand will find meOoh
There is no deepest depths, highest heights
With You
Even the dark is light, dark is light
In the silence, In the darkest hour
When you can barely whisper
And there's no place to hideEvery ocean is just a drop of water
Every desert a footstep
There's no space too wideWhen you cry, when you fall, when you hurt
I'll be with you
Through it all in your tears and your fears
Don't you worry
I am near, I am here, I'll be there
With you in the dead of night, dead of night
Dead of night, Dead of nightYou can stand on my shoulders
In the valley of the shadows
Through the struggle
I am fighting for you
Feel my heartbeat racing
I'm here by your side
