

# Tripping on Your Love (Euro Trance mix)

## Bananarama

Go on, come with it  
Hear me now  
BreakoutI woke from a dream  
Looked up to see your face was  
Smiling down at me  
The sunlight crept through  
Painting my room and I just  
Had to say  
Primrose colored paths lay at your feet[Chorus]  
Keep it coming  
Don't you stop loving  
I'm high  
Tripping on your love  
Keep it coming  
Don't you stop loving  
I'm high  
Tripping on your loveStraight out of the blue  
Drowning in you it's such a sweet sensation  
And I'm floating above  
This heavenly love and through my  
Mirror I see  
Magic multicolored painted dreams[Chorus]Trip on my love  
Trip on my love  
Trip on my love  
Trip on my loveDance on the mike one day with this drama  
Tripping on my love with the BananaramaPrimrose colored paths lay at your feet[Chorus: x2]Keep it coming  
Don't you stop loving  
I'm high  
Tripping on your love
