

# We Want Peace

Lenny Kravitz

Come on people  
It's time to get together  
It's time for the revolution! Here is once again in our face  
Why haven't we learn from our past  
We're at the crossroads of our human race  
Why are we kicking our own ass We want peace  
We want it yes  
We want peace  
We want it yes  
We want peace  
And We want it fast We want peace  
We want it yes  
We want peace  
We want it yes  
We want peace  
And We want it fast We're on the eve of destruction my friends  
We are about to go to far  
Politicians think that war is the way  
But we know that love has the power We want peace  
We want it yes  
We want peace  
We want it yes  
We want peace  
And We want it fast We want peace  
We want it yes  
We want peace  
We want it yes  
We want peace  
And We want it fast The solution is simple and fame  
There won't be peace if we don't try  
In a war there is nothing to gain  
When so many people will die We want peace  
We want it yes  
We want peace  
We want it yes  
We want peace  
And We want it fast We want peace  
We want it yes  
We want peace

We want it yes  
We want peace  
And We want it fast
