

# So Much Betta

**Janet Jackson**

Tired of being number two  
I can do what she can't do  
So much betta I'm for you  
So so much betta I'm for you Don't need another  
I can prove it  
Just let me love you  
Watch me do it  
Believe in this  
Make a wish  
Come see your girl  
I'll change your whole world Tired of being number two  
I can do what she can't do  
So much betta I'm for you  
So so much betta I'm for you Don't need another  
I can prove it  
Let me love you  
Watch how I do it  
Believe in this  
Make a wish  
Come see your girl  
I'll change your world
