

Am I in Love

[Asia](#)

Standing there, I've been watching you
All alone, your face says it all
Desperately I need to talk to you
Can you see me, will you answer my call?[Chorus]
Am I in love, or is it the magic of tonight?
Am I in love, or is it the magic of tonight?
And will it be right tomorrow morning? Hold me now, I feel you close to me
It's so good, so good I want more
Something stirs deep inside of me
Face to face as we move, my life is yours [Chorus] Just one kiss, remember this
And it will stay with you forever [Chorus]
