

# Tall, Dark Handsome Stranger

## Heart

Ooh, I'm so tired of these men tryin' to impress me with nothin'  
The same old routine and the smooth fancy talkin'  
Now I know and believe that I found it for real  
'Cause you're good and you're kind and you care how I feelI had a tall dark handsome stranger, I've had the  
devil in disguise  
I've been attracted to the danger, but I was never satisfied  
And I know what I like and I like what I see in your eyes  
Oh, you're so beautifulI've been pushed, I've been pulled, I've been put out and tried on  
Just by takin' my chances, I finally caught on  
When I see in your eyes all the love shinin' through  
I'm glad I held out for somebody like youI had a tall dark handsome stranger, I've had the devil in disguise  
I've been attracted to the danger, but I was never satisfied  
And I know what I like and I like what I see in your eyesHeaven must have sent you, I know  
You're so good to me, I feel good with you  
I've been such a fool to let go  
There's somethin' about you, I can't live without youI've had fast talkin' good lookin' men at my door  
Now I'm a wiser woman than I was beforeI had a tall dark handsome stranger, I've had the devil in disguise  
I've been attracted to the danger, but I was never, never, never satisfied  
And I know what I like and I like what I see in your eyes, babyI had a tall dark handsome stranger, I've had the  
devil in disguise  
I've been attracted by the danger, but I was never, never, never satisfied  
And I know what I like and I like what I see in your eyes, oh yeahI've had a tall dark handsome man, yeah
