# Comin' Back To Me

## Rickie Lee Jones

( Jefferson Airplane )The summer had inhaled and held its breath too long
The winter looked the same as if it never had gone
And through an open window where no curtain hungI saw you
I saw youOne begins to read between the pages of a book
The shape of sleepy music and suddenly you're hooked
Through the rain upon the trees that kisses on the runI saw you
I saw you
Comin' back to meYou can't stay and live my way
Scatter my love like leaves in the wind
You always say that you won't go away
But I know what it always has been
It always has beenA transparent dream beneath an occasional sigh
Most of the time I just let it go by
Now I wish it hadn't begunI saw you
I saw you
Comin' back to meStrolling the hills overlooking the shore
I realize I've been here before
The shadow in the mist could have been anyoneBut I saw you
I saw you
Comin' back to meSmall things like reasons are put in a jar
Whatever happened to wishes wished on a star
Was it just something that I made up for funI saw you
I saw you
Comin' back to me
