Innocence (feat. Aquilo)

Madeon

Breathe out and breathe in
We're still forgetting
Breathe out and breathe in
We'll be forgivenTogether we wait for space
Together we wait for silence
And under your breath you spoke of innocenceAnd I won't be the victim
And maybe you should know
That I can see the writing
So slowly letting goI'll give up and give in
It's only a matter of time
I'll let you chase me
And maybe there's nothing to hideAll we ever want and ever is
Is nearly coming true
All you ever see and ever hear
Will all come crashing through
When you see that you're needed
You'll fall in the hands of innocenceAnd I won't be the victim
And maybe you should know
That I can see the writing
So slowly letting go
