When I'm With You

Citizen Way

These are the things that I need to pray
Because I can't find peace any other way
I'm a mess underneath and I'm just too scared to show it

Everything's not fine
And I'm not okay
But it's nice to know
I can come this way

When I'm with You
I feel the real me finally breaking through
It's all because of You, Jesus
Anytime, anywhere, any heartache
I'm never too much for You to take
There's only love
There's only grace
When I'm with You

Nobody knows me like You do
No need for walls, You see right through
Every hurt, every scar, every secretâ€¦ You just love me

I'm breathing in
I'm innocent
It's like my heart's on fire again
I'm not afraid
I'm not ashamed
I'm safe when I am with You

So I'm here just as I am
Bruised or broken
I don't have to pretend
