So you better tone it down
Or I suggest you just prepare yourself
For when it's go'n down Like Dr. King

But put your hands on me
And I'll Break my Silence

And I'm a pop in Defense I ain't scared of you

Or I suggest you just prepare yourself
For when it's go'n downI ain't scared of youOh , you mad
Cuz your girl called
Well, that's why Your Girl Called
She needed somebody she can talk to
About the Violence you be putting her through
Boy, I ain't trying to interfere with your biz
But you better handle it quick
She was talkin' 'bout gettin' a Metal Stick
You know the one that take the Hollow-tipsI had to calm her down
Boy, keep the Drama down
And try to understand
That you's a Bigger Man
So be a better man
And get a better Plan
And prove that you a man
And prove that you a Man
