

Your Love Is My Drug

Kesha

Maybe I need some rehab
Oh, maybe just need some sleep
I got a sick obsession
I'm seeing it in my dreams I'm looking down every alley
I'm makin' those desperate calls
I'm staying up all night hoping
Hittin' my head against the wall What you got, boy, is hard to find
I think about it all the time
I'm all strung out, my heart is fried
I just can't get you off my mind Because your love, your love, your love is my drug
Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
Won't listen to any advice
Momma's telling me I should think twice
Better left to my own devices
I'm addicted, it's a crisis My friends think I've gone crazy
My judgment's getting kinda hazy
My steeze is gonna be affected
If I keep it up like a lovesick crackhead What you got, boy, is hard to find
I think about it all the time
I'm all strung out, my heart is fried
I just can't get you off my mind Because your love, your love, your love is my drug
Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
I don't care what people say
The rush is worth the price I pay
I get so high when you're with me
But crash and crave you when you leave Hey, so I gotta question
Do you wanna have a slumber party in my basement?
Do I make your heart beat like an 808 drum?
Is my love with your drug? Your drug, your drug
Your drug, is my love your drug?
Because your love, your love, your love is my drug
Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
Because your love, your love, your love is my drug

Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
Hey, hey, so
Your love, your love, your love, your love is my drug
