

It Was Almost Like a Song

Ronnie Milsap

Once in every life
Someone comes along
And you came to me
It was almost like a song You were in my arms
Right where you belong
And we were so in love
It was almost like a song January through December
We had such a perfect year
Then the flame became a dying ember
All at once you weren't here Now my broken heart
Cries for you each night
And it's almost like a song
But it's much too sad to write Now my broken heart
Cries for you each night
And it's almost like a song
But it's much too sad to write It's too sad to write
