

Filthy Blues

[Orianthi](#)

You've got me mourning
Went and found my strength
I gotta get some lovin' before it's too late
So damn lonely every day and every night
Even my dogs got in a cat fight Here I am all alone in this hotel room
A one night stand with the filthy blues Went to Memphis with a broken heart
We were banging all night on the strings of fire
Was out drinking at a downtown bar
I can't help but wonder where the hell you are Here I am all alone in this hotel room
A one night stand with the filthy blues
