

# Stay With Me

[Amos Lee](#)

One by one we watch them fall  
Like trees on the country side  
Yeah, you stayed right with me, babe  
To wave off the rolling tideAre you stayin'?  
Stay with me  
Are you stayin'?  
Stay with meAll through every broken bone  
Oh, how you watched them heal  
Now you never turned away  
You were never afraid to feelAre you stayin'?  
Stay with me  
Are you stayin'?  
Stay with meWhoa, and when the morning comes  
Just know, darling, I've had every moon onOh, and when the winter comes  
Whoa, and you can't decide  
For your rabbit to run  
Or your rabbit to hideStay  
Stay with me  
Will you stay?  
Stay with meWill you stay?  
Stay with me  
Will you stay?  
Stay with meWill you stay?  
Stay
