

The More We Get Together

Cedarmont Kids

The more we get together
Together, together
The more we get together
The happier we'll be
'Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be
The more we play together
Together, together
The more we play together
The happier we'll be
'Cause your friends are my friends
And my friends are your friends
The more we play together
The happier we'll be
The more we dance together
Together, together
The more we dance together
The happier we'll be
'Cause your friends are my friends
And my friends are your friends
The more we dance together
The happier we'll be
The more we get together
Together, together
The more we get together
The happier we'll be
'Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be
The more we get together
The happier we'll be
The more we get together
The happier we'll be
