

# Heal Me

## Gotthard

Take off your mask now, show me your face  
Don't shun away without leaving no trace  
What is your secret, you're bright as the sun  
You got me begging like you're holding a gun

I want you, I need you  
But you keep running from my sight  
I'm yearning, I'm burning  
Why can't you hear my prayer?

Heal me, feel me  
I'm loosing control when you're near me  
Still I'm dreaming  
You'll take my lonely nights away

You're smiling from fashion and top magazines  
Looking so hot on every screen  
Gimme a chance, let me prove it to you  
I'll do anything that you want me to do

I want you, I need you  
But you keep running from my sight  
I'm yearning, I'm burning  
Why don't you try to please me?

Heal me, feel me  
I'm loosing control when you're near me  
Still I'm dreaming  
You'll take my lonely nights away

Just tell me a good reason why we shouldn't try  
There ain't a better time but now  
If my crime is to love you then I plead guilty, babe  
I feel the hunger rising deep inside  
Stronger day by day

I want you, I need you  
But you keep running from my sight  
I'm yearning, I'm burning

Why don't you try to please me?

Come on and heal me, feel me  
I'm losing control when you're near me  
Still I'm dreaming  
You'll take my lonely nights away  
The lonely nights away, hey, hey

Come on and heal me now
