Goin' Down

Godsmack

I see the world, it's going 'round
Seems to me it's upside down
Lookin' for something to say
I feel a little different anywayYeah, yeah, yeah, yeahDoes it make much sense to you?
Doing all those things you do
Making sure that I'm alright
Yeah, I'm fineI've been feelin' I'm going down
I've been feelin' I'm going down, down, downI see the world it's going 'round
Seems to me it's upside down
Lookin' for something to sayI've been feelin' I'm going down
I've been feelin' I'm going down, down, yeahOh yeah, yeah, yeah, yeahI've been feelin', I've been feelin'
I've been feelin' I'm going down, down, down
