She's Not There

The Zombies

Well no one told me about her the way she lied
Well no one told me about her how many people cried
But it's too late to say you're sorry
How would I know why should I care
Please don't bother tryin' to find her
She's not thereWell let me tell you 'bout the way she looked
The way she'd act and the colour of her hair
Her voice was soft and cool
Her eyes were clear and bright
But she's not thereWell no one told me about her, what could I do
Well no one told me about her, though they all knew
But it's too late to say you're sorry
How would I know, why should I care
Please don't bother tryin' to find her
She's not thereWell let me tell you 'bout the way she looked
The way she'd act and the colour of her hair
Her voice was soft and cool
Her eyes were clear and bright
But she's not there------ electric piano ------But it's too late to say you're sorry
How would I know, why should I care
Please don't bother tryin' to find her
She's not thereWell let me tell you 'bout the way she looked
The way she'd act and the colour of her hair
Her voice was soft and cool
Her eyes were clear and bright
But she's not there
