One Friend

Dan Seals

I always thought you were the best
I guess I always will
I always thought that we were blessed
And I feel that way still
Sometimes we took the hard road
But we always saw it throughIf I had only one friend left
I'd want it to be youSometimes the world was on our side
Sometimes it wasn't fair
Sometimes it gave a helping hand
Sometimes we didn't care'Cause when we were together
It made the dream come trueIf I had only one friend left
I'd want it to be youSomeone who understands me
And knows me inside out
Helps keep me together
And believes without a doubt,
That I could move a mountain
Someone to tell it toIf I had only one friend left
I'd want it to be youSomeone
And knows me inside out
Helps keep me together
And believes without a doubt,
That I could move a mountain
Someone to tell it toIf I had only one friend left
I'd want it to be you
