Case Closed

Little Mix

[Jade]
It's when I'm asleep right through
I'm cold when I wake cause I won't feel you
When I can't breathe I know it's you
Got a lump in my throat just thinking of you[Jesy]
Makes no difference you've been tried
(Makes no difference you've been tried)
Still sick inside, oh oh
It's meant to be over now
But I think we're going down (we're going down)[All]
Got your fingerprints as evidence all on my body
Put your right hand on the book and you were found guilty
I can't wait forever but that's how it's gonna be
For me they'll never beCase closed
[Jesy] No matter what the verdict says
Case closed
[Jade] Too many questions in my head
Case closed
[Leigh-Anne] And I'm still waiting for a while
Why there can never be
Case closed[Leigh-Anne]
Behind these walls, so tall
I don't wanna climb, I'm afraid to fall
So we both do time and never have closure cause I still wanna hold ya[Jesy]
Makes no difference you've been tried
(Makes no difference you've been tried)
Still sick inside, oh oh
It's meant to be over now
But I think we're going down (we're going down)[All]
Got your fingerprints as evidence all on my body
Put your right hand on the book and you were found guilty
I can't wait forever but that's how it's gonna be
For me they'll never beCase closed
[Jesy] No matter what the verdict says
Case closed
[Jade] Too many questions in my head
Case closed
[Leigh-Anne] And I'm still waiting for a while
Why there can never beThere can never, never be a

Never be a
Never, never be a
Case closedThere can never, never be a
Never, be a
Never, never be a
Case closedGot your fingerprints as evidence all on my body
Put your right hand on the book and you were found guilty
I can't wait forever but that's how it's gonna be
For me they'll never beCase closed
[Jesy] No matter what the verdict says
Case closed
[Jade] Too many questions in my head
Case closed
[Leigh-Anne] And I'm still waiting for a while
Why there can never beCase closed
