

# Whole Again

## Sleepwave

Lurking deep in our insides

There is something we were never supposed to findI know that they could never find me

Inside we were always the ones who were empty

Its time to open up your eyesThey're coming against the burdens that I bear

When everything's lost and there's nowhere left for you to run

We are the answer

We are the end of allMy soul was sold before I could breathe in

They try to scratch out every feeling

You make me never wanna sleepThey're coming against the burdens that I bear

When everything's lost and there's nowhere left for you to run

We are the answerI'll never save you

I'll only bring you down

I never gave you a chanceThey're coming against the burdens that I bear

When everything's lost and there's nowhere left for you to run

We are the answer
