All these accidents that happen
Follow the dot
Coincidence makes sense
Only with you
You don't have to speak
I feel Emotional landscapes
They puzzle me
Then the riddle gets solved
And you push me up to this State of emergency
How beautiful to be
State of emergency
Is where I want to be All that no one sees
You see what's inside of me
Every nerve that hurts
You heal deep inside of me, ooh
You don't have to speak
I feel Emotional landscapes
They puzzle me and confuse
Then the riddle gets solved
And you push me up to this State of emergency
How beautiful to be
State of emergency
Is where I want to be
State of emergency
How beautiful to be Emotional landscapes
They puzzle me
Then the riddle gets solved
And you push me up to this State of emergency
How beautiful to be
State of emergency
Is where I want to be State of emergency
How beautiful to be
State of emergency
State of State of
How beautiful
Emergency
Is where I want to be State of emergency
How beautiful to be
State of emergency

Is where I want to be
State of emergency
How beautiful to be
