All these accidents that happen
Follow the dot
Coincidence makes sense
Only with you
You don't have to speak
I feelEmotional landscapes
They puzzle me
Then the riddle gets solved
And you push me up to thisState of emergency
How beautiful to be
State of emergency
Is where I want to beAll that no one sees
You see what's inside of me
Every nerve that hurts
You heal deep inside of me, ooh
You don't have to speak
I feelEmotional landscapes
They puzzle me and confuse
Then the riddle gets solved
And you push me up to thisState of emergency
How beautiful to be
State of emergency
Is where I want to be
State of emergency
How beautiful to beEmotional landscapes
They puzzle me
Then the riddle gets solved
And you push me up to thisState of emergency
How beautiful to be
State of emergency
Is where I want to beState of emergency
How beautiful to be
State of emergency
State ofState of
How beautiful
Emergency
Is where I want to beState of emergency
How beautiful to be
State of emergency

Is where I want to be
State of emergency
How beautiful to be
