We Are Young (ft. Janelle MonÃfÂ;el)

<u>fun.</u>

Give me a second I, I need to get my story straight My friends are in the bathroom Getting higher than the Empire State My lover she's waiting for me Just across the bar My seat's been taken by some sunglasses Asking about a scar and...I know I gave it to you months ago I know you're trying to forget But between the drinks and suddle things The holes in my apologies You know, I'm trying hard to take it backSo if by the time the bar closes And you feel like falling down I'll carry you ho-o-omeTonight, We are young; So let's set the world on fire, we can burn brighter, Than the sunTonight We are young So let's set the world on fire We can burn brighter, Than the sun Now I know that I'm not All that you got I guess that I I just thought maybe we could find new ways to fall apart But our friends are back So let's raise a cup Cause I found someone to carry me homeTonight We are young So let's the set the world on fire We can burn brighter Than the sunTonight We are young So let's set the world on fire We can burn brighter Than the sunCarry me home tonight Just carry me home tonight Carry me home tonight

Just carry me home tonightThe world is on my side (nanananananana) I have no reason to run (ananananananan(So will someone come and carry me home tonight (nananananana) The angels never arrived(nanananananan) But I can hear the choir (nanannanananan) So will someone come and carry me home (anananana)Tonight We are young So let's set the world on fire We can burn brighter Than the sunTonight We are young So let's set the world on fire We can burn brighter Than the sunSo, if by the time the bar closes, and you feel like falling down, i'll carry you home, Tonight.....
