

Can He, Could He, Would He

Ernie Haase & Signature Sound

Can He (can He save me)?
Could He (could He love me)?
Would He (would He take me)?
Did He (did He really)?
Can He, could He, would He?
Yes He can, He could, He would,
And He did!Oh, can He (can He save me)?
Could He (could He love me)?
Would He (would He take me)?
Did He (did He really)?
Can He, could He, would He?
Yes He can, He could, He would,
And He did!

From the moment I heard about the Lord and His word

Well it seemed a bit too good to be true

There were questions and doubts

I tried to figure it out

But the best that I could do

Was to wander around in the love that I found

Until the questions started answering themselvesSinging, Can He, could He, would He?

Yes He can, He could, He would,

And He did!Can He (can He save me)?

Could He (could He love me)?

Would He (would He take me)?

Did He (did He really)?

Can He, could He, would He?

Yes He can, He could, He would,

And He did!

You can say you don't know it's necessarily so

Like somebody said it once in a song

You can think what you choose but let me tell you the news

The Lord has loved you all along

So if you're asking again - will the doubts ever end?

Simply trust Him and see for yourself

Singin', Can He, could He, would He?

Yes He can, He could, He would and He did!Ooh, Can He (can He save me)?

Could He (could He love me)?

Would He (would He take me)?

Did He (did He really)?

Can He, could He, would He?
Yes He can, He could, He would,
And He did! Can He, could He, would He?
Yes He can, He could, He would,
He loved me, Saved me, Took me, Really!

Can He, could He, would He?
Yes He can, He could, He would,
And He did!

(Let me tell you what my Savior did)

Can He, Could He, Would He?
Yes He can, He could, He would
Can He, Could He, Would He?
Yes He can, He could, He would
(He did!)
Can He, Could He, Would He?
Yes He can, He could, He would
And He did!
