

# Shotgun

## M.A.D.

Come and take a ride with me,  
That would be my fantasy,  
I'll be in the drivers seat,  
And you'll be up front in your something something,  
Raybans on, beach boys on the stereo,  
Driving all day because it doesn't matter where we go,  
Your looking so good,  
I gotta keep my eye on the road,  
I've got you riding shotgun \*shotgun\*  
Up in the front seat making my heart beat,  
Shotgun \*shotgun\*  
We'll be driving forever,  
Always together,  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,  
Cos I've got you riding  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,  
Your more than just a passenger,  
I wanna make you my girl,  
Come on and take a ride with me tonight,  
I got you riding shotgun,  
We don't need no gps,  
All I need you in your little black dress,  
Cos I'm the prince and you my princess,  
Our hearts... beating out of our chest,  
Were on a joy ride,  
Leaving the world behind,  
Were doing 95 across the border line,  
So why you take... I think I'm going out of my mind,  
Yeah,  
I've got you riding shotgun \*shotgun\*  
Up in the front seat making my heart beat shotgun \*shotgun\*  
Well be driving forever always together,  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,  
Cos I've got you riding  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,

Your more than just a passenger,  
I wanna make you my girl,  
Come on take a ride with me tonight,  
I got you shotgun  
\*I got you riding shotgunnn\*  
Oh owww  
Cos she's got my riding  
Shotgun shotgun shotgun,  
Cos I've got you riding,  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,  
Cos I've got you riding,  
Shotgun shotgun shotgun,  
Shotgun shotgun shotgun,  
I've got you riding shotgun

Ew oh ew oh

Up in the front seat making my heart beat, shotgun

Ew oh ew oh

Well be driving forever always together,  
Your more than just a passenger,  
I wanna make you my girl,  
Come one and take a ride with me tonight,  
I got you riding shotgun.
