

Nothing Left to Lose

Jake Nauta

Nothing's good, the news is bad
The heat goes on and it drives you mad
Scornful thoughts that fly your way
 You should turn away
'Cause there's nothing more to say
 You gave the best you had to give
 You only have one life to live
You fought so hard, you were a slave
 After all you gave
 There was nothing left to save
 You've got nothing left to lose
 (You've got nothing left to lose)
 No, you've got nothing left to lose
(Who'd wanna be standing in your shoes)
 You read the book, you turn the page
 You change your life in a thousand ways
 The dawn of reason lights your eyes
 With the key you realize
 To the kingdom of the wise
 You've got nothing left to lose
 (You've got nothing left to lose)
 No, you've got nothing left to lose
(Who'd wanna be standing in your shoes)
 Nothing ventured, nothing gained
 No more lingering doubt remained
 Nothing sacred or profane
 Everything to gain
 'Cause you've nothing left
