

On an Evening In Roma (Sott'er Celo Do Roma)

Dean Martin

Como e' bella ce' la luna brille e' strette
Strette como e' tutta bella a passeggiare
Sotto il cielo di RomaDown each avenue or via, street or strata
You can see 'em disappearin' two by two
On an evenin' in RomaDo they take 'em for espresso, yeah, I guess so
On each lover's arm a girl, I wish I knew
On an evenin' in RomaThough there's grinin' and mandolinin' in sunny Italy
The beginning has just begun
When the sun goes downSo please meet me in the plaza near your casa
I am only one and that is one too few
On an evenin' in RomaDon't know what the country's comin' to
But in Rome do as the Romans do
Will you on an evenin' in Roma?Though there's grining and mandolining in sunny Italy
The beginning has just begun
When the sun goes downComo e' bella ce' la luna brille e' strette
Strette como e' tutta bella a passeggiare
Sotto il cielo di RomaDon't know what the country's comin' to
But in Rome do as the Romans do
Will you on an evenin' in Roma?Sott'er celo de Roma
On an evenin' in Roma
