ListenWe don't call the shots here
We don't make the rules
We take what we get, get what we can
And it's learning the hard way
Here on the streets
You can't build a dream, without a plan(Passion speaks)
Let them hear you speak
(Play for keeps)
They play to win, we play for keepsIt's not over 'til it's over
It's not over 'til we get it rightThe odds are against us
They say we don't stand a chance
But there's no giving up, no giving in
When push comes to shove
You got to fight for what you love
You do what you must, do what you can(Passion speaks)
Let them hear you speak
(Play for keeps)
They play to win, we play for keepsIt's not over 'til it's over
(It's not over)
It's not over 'til we get it right
It's not over 'til it's over
(Don't go giving in)
It's not over 'til we get it right
Get itThe odds are against us
But you know we still stand a chance
But there's no giving up, no giving inIt's not over
It's not over 'til it's over
It's not over 'til we, 'til we, 'til we, 'til we, 'til we get it right
It's not over
It's not over 'til it's over
It's not over
'Til we, 'til we, 'til we get it right

It's not over 'til it's over
Don't go giving in now
It's not over 'til we get it right
Believe me
It's not over 'til it's over
