

# We Got The Beef

## Weird Al Yankovic

Had ourselves a little barbeque  
Corn on the cob and mashed potatoes too  
Joe got the fritos, ernie got the stew  
So what did you bring  
We got the beef  
We got the beef  
We got the beef  
Yeah, we got it

(we got the beef)  
Now, everybody get on your feet (we got the beef)  
Grab a hunk of ? ? ? beef (we got the beef)  
Chuck daddy (we got the beef)  
Now, ground round by the pound  
We got the beef (we got the beef)  
We got the beef (we got the beef, we got the beef)  
We got the beef (we got the beef, we got the)  
We got the beef
