

# Good Morning Heartache

**Irene Higginbotham**

Good morning heartache you old gloomy sight  
Good morning heartache thought we said goodbye last night  
I turned and tossed until it seems you had gone  
But here you are with the dawn  
Wish I'd forget you but you're here to stay  
It seems I met you when my love went away  
Now everyday I start by saying to you  
Good morning heartache what's new  
Stop haunting me now can't shake you no how  
Just leave me alone I've got those Monday blues  
Straight through Sunday blues  
Good morning heartache here we go again  
Good morning heartache  
You're the one who knew me when  
Might as well get use to you hanging around  
Good morning heartache sit down  
Stop haunting me now can't shake you no how  
Just leave me alone I've got those Monday blues  
Straight through Sunday blues  
Good morning heartache here we go again  
Good morning heartache  
You're the one who knew me when  
Might as well get use to you hanging around  
Good morning heartache sit down
