

My Blank Pages

Velvet Crush

Well it's got me on my knees
And it's tangled up inside
Can you pull it out of me?
Can you help me find the lines? All I think, all I say, never close enough
All I know, all I do, doesn't mean that much Come in closer you will see
Blank pages Can't say just how I'm feeling inside
I know there is something that's on my mind
But I can't be reasoned into rhyme
Blank pages
Can you pull it out of me?
Can you help me find the lines? All I think, all I say, never close enough
All I know, all I do, never means too much Come in closer you will see
Blank pages Can't say just how I'm feeling inside
I know there is something that's on my mind
But I can't be reasoned into rhyme
Blank pages
Can't say just how I'm feeling inside
I know there is something that's on my mind
And I can't be reasoned into rhyme
Blank pages
