

Still In Love Song (Extended 12" Remix)

The Stills

We were lovers
We were kissers
We were holders of hands
We were make believers
Just losing time And you said you'd rather live in TV land
Than say that you care
But you don't
That's heartless and I will not cry But I'm still in love
And I'm still in love
And I'm still in love
And I'm still in love Your dreams of acting onscreen
What do they mean
You'll be dancing sexless in your bedroom And you find yourself out of a job
And before too long
You'll be selling lemonade to the overpaid And I'm still in love
And I'm still in love
And I'm still in love
And I'm still in love I remember
It was summer
I was out of my head
But you weren't you're self-assured
Waste of space But I'm still in love
And I'm still in love
And I'm still in love
And I'm still in love
I'm still in love
And I'm still in love
And I'm still in love
