

# Who Put the Alphabet in Alphabetical Order?

## They Might Be Giants

All right!  
Back in ancient times  
You know that things then weren't that easy  
So many different tribes  
So many different ways of writing  
So, who put the alphabet in alphabetical order? I wonder  
Who put the alphabet in alphabetical order? Oh  
Now I've got a question  
With an answer that you might find easier  
You've got to use your mind  
To remember all the letters in order  
Now, you put the alphabet in alphabetical order Come on!  
You put the alphabet in alphabetical order  
We're going to put the alphabet in alphabetical order now  
A B C D E F G H I J K L M N O P Q R S T U V W X Y and Z  
Now I know my A-B-C's  
Next time won't you play with me?
