

Could've Been (Re-Recorded / Remastered)

[Tiffany](#)

The flowers you gave me
Are just about to die
When I think about
What could've been
It makes me want to cry The sweet words you whispered
Didn't mean a thing
I guess our song is over
As we begin to sing Could've been so beautiful
Could've been so right
Could've been my lover
Every day of my life
Could've been so beautiful
Could've been so right
I'll never hold what could've been
On a cold and lonely night The memory's of our lovin'
Still linger in the air
Like the faded scent of your roses
They stay with me everywhere Every time I get my hopes up
They always seem to fall
Still what could've been is better than
What could never be at all Could've been so beautiful
Could've been so right
Could've been my lover
Every day of my life
Could've been so beautiful
Could've been so right You could love what could've been
On a cold and lonely night?
